

Αλεξανδρός
συσκευασία

Αλεξανδρής συσκευασία

40 χρόνια στην συσκευασία κοσμήματος.

Το όνομα που συνδύασε στην συσκευασία την ποιότητα με την δημιουργικότητα.

Πάντα δίπλα σας σε κάθε ιδιαίτερη στιγμή (γάμος, γέννηση, βάφτιση).

Ποτέ δεν συμβιβάστηκε με τα δεδομένα και τον αθέμιτο ανταγωνισμό.

Με αγάπη στην ιδιαίτερη συσκευασία και σε συνδυασμό πάντα με φαντασία ήταν εδώ με νέες ιδέες και καινοτόμες προτάσεις.

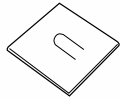

Σας ευχαριστούμε που σε όλη την πολυετή ανοδική μας πορεία συμβάλλατε με τις ιδέες, τους προβληματισμούς, αλλά και την φιλική σας υποστήριξη.

Αλεξανδρής Δημήτρης

A series of 20 horizontal lines for writing, arranged in a column. The lines are evenly spaced and extend across most of the page width. The top right and bottom left corners of the page feature decorative, wavy, light brown patterns that overlap the lines.

A page with horizontal lines for writing, framed by abstract, flowing, light-brown decorative elements at the top and bottom.
